PSSST!

YOU CAN ALSO ASK ME QUESTIONS!

anonymous asked

What kind of governments do all the races/nations have?

They all have some form of democracy in which the leader is selected by popular vote except for Thalassa which is essentially a monarchy and Golgotha whose "Master" or "Mistress" creates their successor and grooms them for the position (so basically nepotism)

anonymous asked

How do you pronounce Mageians? Ma-jee-ans? Mage-ians? Majeans?

My-GI-ans! A hard "GI" like in "gift"

It's derived from the Greek word meaning magic and I

anonymous asked

Ok but can any of the wielder sing?

Gawain actually has an amazing (and I mean AMAZING) voice. Nen will often catch him humming or singing to himself and will just stay out of sight and listen until Gawain stops

Sienna is tone-deaf. Don't let her sing. Ever

Mattie has a soft, sweet singing voice. Donan's is low and husky. Sam was brought up singing mantras at the temple so he has a nice, pure sound

Shiloh also learned ritualistic singing and has a good ear for music. Nen is musical too but he doesn't sing much despite being able to hold a tune
